

The Week of:

April 2, 2025

## What's your life like:

What are some things you've been hoping to get? To have? To experience? Maybe new phone, shoes, making the team?

## What are we talking about this week:

### Main Point of Message:

- When we lock in on hope in God, the source of hope, we can be confident that our tomorrow will be better than our today.

### Bible Verses

- Romans 15:12; Proverbs 10:28; Acts 2:16; Romans 5:3-5; Titus 1:2

### Discussion Questions

1. In your own words, talk about the difference between everyday "hope" and the "confident hope" we see in scripture. How are the results different?
2. How can a confident hope in God result in happiness when your circumstances have let you down?
3. Is obedience in God hard or easy for you? How will locking in on hope help you obey? Why?
4. If you're comfortable sharing, what are some "trials" or hardships you're experiencing that is making it hard to persevere? How can confident hope change that??

## Now what:

We get hit with distractions everyday that result in circumstances that let us down. We need hope. Not hope that fades – a confident hope that lasts. Despite your circumstances, lock in on hope in God, the source of hope! Then you can be confident that the future will be better.
