

Small Group Discussion

The Week of:

April 15, 2026

What's your life like:

What's one challenge you overcame this week, what helped you do that?

What are we talking about this week:

Main Point of Message:

- We're continuing our series "Faith in Real Life" studying the book of James and asking the same question we started with last week: Does your faith actually change the way you live? This week James gets specific. He wants to talk about love, not the feeling, but the action.

Bible Verses

- James 2:1-4, 2:15-16, 2:18-20

Discussion Questions

1. Read James 2 together. Whoever wants to, take turns reading a few verses at a time until you get through the whole passage.
2. Can you recall a time you felt invisible? What made you feel that way?
3. James calls out the way we treat people differently based on how they look or what they have. Where do you see that playing out in your school, your friend group, or even at church?
4. James 2:15-16 describes someone who says all the right things but does nothing. How easy is it to mistake caring about something with actually doing something about it?
5. Verse 19 says even demons believe in God... and it doesn't change anything about them. What's the difference between believing something and letting it actually change you?

Now what:

Think about someone in your life who might feel unseen or overlooked. This week, do one specific thing to make them feel noticed, not because it's an assignment, but as an act of real love. Come back next week ready to share what you did.
