**RE: New Giving Platform | Transfer Your Recurring Gift**

Thank you for your continued generosity to Eagle Brook Church!

We have recently switched to a new giving platform called My Well. This new partnership creates an enhanced giving experience by providing the ability to log in and modify your scheduled gift amount, frequency, or payment information at any time. This also allows us to reduce processing fees and maximize the life-changing impact your giving has through our church.

Our records indicate that you have an active recurring gift set up to support Eagle Brook Church. **In order to continue your recurring gift, please take the following steps by Friday, March 8:**

1. Scan the QR to transfer your giving to our new platform. We have made the process as easy as possible: All you will need to do is add your payment method.

Many of you have inquired about the most efficient giving method. Gifts made via ACH/eCheck incur lower fees compared to credit or debit cards, ensuring that a larger portion of your contribution directly supports our mission to reach people for Christ. If you prefer this option, kindly provide your banking information instead of your credit/debit card details.

2. After you set up your schedule in our new system, please scan the QR and sign in to Pushpay to cancel your previously scheduled gift.

If you have any questions about our new giving platform or how to transfer your recurring gift, please reach out to our Giving team at [giving@eaglebrookchurch.com](mailto:giving@eaglebrookchurch.com).

Thank you again for your continued generosity and support to Eagle Brook!

-Eagle Brook Church, Giving Team
