If we rushed, we'd hurry past
Our feeble minds can't comprehend
The Lord, our God
The Lord, our God

To paint with words that all make sense
It would fall short compared to this
The Lord, our God
The Lord, our God

The Lord, our God
The Lord, our God
The Lord, our God

Verse 3

Who walked among our brokenness
And bore the weight of sin and death
The One who took on human flesh

Who is and will be till the end
