

THE TRIP OF A LIFETIME

EXPLORE THE HOLY LAND WITH
DR. RYAN RUSH

OCTOBER 23 - NOVEMBER 1, 2024

“I want to invite you on the journey of a lifetime. We’ll see many of the most amazing sites in Israel, but we want to do more than check locations off the list. In our many journeys to this land, Lana and I have found the most memorable times to be moments when we linger at places off the beaten path – and away from the crowds. With that in mind, we’re more excited than ever about our trip to the Holy Land! We’ve designed this trip with a pace that allows for maximum impact as we enjoy unique discoveries each day.

This brochure offers you a glimpse of an amazing ten days together – every one of which will bring a sense of new anticipation and life-changing memories.”

WHAT'S THE DIFFERENCE?

*With Holy Land travel, you'll hear of vast differences in cost for what seem like similar journeys. Those who have been to Israel can share, however, that little decisions can make a huge difference in the **quality** of your time there. A few of the differences to expect from your time with Biblical Journeys and Dr. Rush:*

A FEW DIFFERENCES TO EXPECT FROM YOUR TIME WITH RYAN :

- **Three bountiful meals** per day are covered throughout your time in Israel. You'll never go hungry!
- Our accommodations will be **four - and five - star hotels**. This means your morning and evening meals – not to mention your rooms – go from tolerable to wonderful.
- We hand pick **Christian guides** in Israel who have a reputation for being the best. Their insight and passion for God's Word add tremendously to your experience.
- We provide **"whisper" headset devices** to all travelers – meaning greater freedom to roam at sites and still hear from our knowledgeable guides.
- Airport taxes and airline fuel surcharges are all included – something that is less common than you might imagine.
- We'll fly only on **reputable air carriers**. Beginning and ending your trip with quality travel makes a huge difference.
- We've reserved several private gathering areas for **intimate teaching times away from the crowds** – including a private boat ride on the Sea of Galilee, and a service at the Garden Tomb.
- We will travel on **spacious luxury coaches** throughout our time in Israel.

We'll experience over *forty* incredible sites during our ten days of travel!

The tour cost includes: round trip airfare including taxes from Houston, deluxe hotel accommodations, three meals daily (B/L/D), gratuities (hotel & restaurants), entrance fees, personal listening device and more. We'll experience an Israeli meal at midday unlike any you've ever had – and we'll take part in its preparation! We'll wrap up an amazing day in the Old City with a worship service on the Southern Steps of the Temple Mount.
