MINISTRY.

Did you know that Living Word is home to a Stephen Ministry Care group? What is Stephen Ministry? Put simply, Stephen Ministry is a group of lay people (congregation members) that have undergone training and have been commissioned to provide COMPLETELY CONFIDENTIAL emotional care, support, and prayer for those in need.

They are not professional counselors or therapists, but will walk with you in Christ's love through any circumstances, no matter how difficult. Just as Christ never leaves us, a Stephen Minister will walk with you as long as you need them. There are times where we all need someone to talk to, to listen to us, and to just be with us as we go through difficult times in our lives, whether that is the loss of a loved one, a broken relationship, the loss of a job, or just stress that builds up. They are there whenever you might need them.

If this sounds like something that would help you, please reach out to the Stephen Ministry Coordinator, Sue Carlson, at 281-610-4609.
