

MEN'S CONNECT GROUPS

Please email the church office (office@linworthbaptist.org) to get connected with a Men's Connect Group Leader or if you are interested in adding/leading a group.

“The Church is a face not a place.” We are the Church. Enjoy connecting with other LBC men who share your desire to: grow spiritually, enjoy recreating, and thrive at work. Join as many groups as you plan to actively engage in. Joining groups will deepen your friendships at LBC, and the recreation connect groups will provide opportunities to invite non-believing friends to join you and other believers to simply enjoy time together building lasting, trusting relationships that present Jesus. Ultimately, the goal is to grow in our love for God, ourselves, and others while looking forward to hearing, “Well done!”
