## Invitation to Ethiopia

December 7th

I've been invited to return to Ethiopia in January.

There will be a meeting of 20 to 25 leaders and field practitioners from various countries on the topic of "Africa Sending."

I've been invited to participate because I bring an entrepreneurial equipping focus that will be needed.

- Africans going to other Muslim-majority countries in Africa will need business strategies to enter and remain in those countries.
- Latinos going to Muslim-majority countries in Africa will as well.

The Psalm Business videos in development are designed to be readily translated into other languages.

As a result, it seems likely that my Psalm Business equipping will be helpful for sending Africans within Africa and for sending non-Africans into Africa.

### **PRAISE GOD:**

- I'm excited about this invitation to participate in this Africa Sending conversation.
- I'm encouraged that leaders are recognizing the challenge of entering and remaining in Muslim-majority countries without legitimate work identities.

### **PRAY:**

- Pray for the logistics and funding for this Africa Sending meeting to be finalized. (I haven't been authorized to book tickets yet, even though the meeting is in a few weeks.)
- Pray that this week's experiment in translating my first Psalm Business video into other languages would go smoothly, so I can provide a live demonstration at this January meeting.

## **Respond and Encourage**

Taking a second to respond to this update makes a big difference for Bob Goldmann.
