

Affinity Groups

“The Church is a face not a place.” We are the Church. Enjoy connecting with other LBC men who share your desire to: grow spiritually, enjoy recreating, and thrive at work.

Join as many groups as you plan to actively engage in by reaching out to the group leaders. Joining groups will deepen your friendships at LBC, and the recreation affinity groups will provide opportunities to invite nonbelieving friends to join you and other believers to simply enjoy time together building lasting, trusting relationships that consistently present Jesus.

Ultimately, the goal is to grow in our love for God, ourselves, and others while looking forward to hearing, “Well done!”

Contact the Affinity Group leaders with questions and to join the group.

Contact the current Men’s Ministry lead, Bryce Kurfees (BryceKurf@gmail.com), if you’re interested in adding and leading an Affinity Group.
