**Dear friends and ministers of Linworth Baptist Church!**

We are delighted to share news about our ministry in our country. Thank you for being with us, praying for us, and supporting us!

I hope all is well with you.

God bless you!

**Discipleship Seminar**

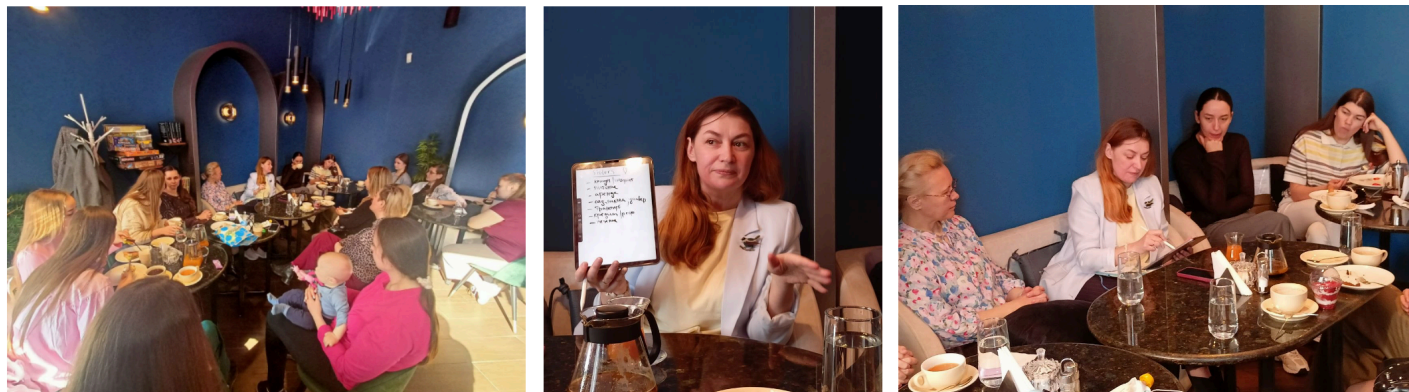

We held a seminar in Minsk (the country's capital) for key leaders within the Evangelical Christian community. About 30 brothers and sisters attended from different parts of our country. At this meeting, we spoke about the importance of discipleship in churches, how it can be developed, and offered a training program. Together with

one brother, we will lead this training, discussing the important steps of spiritual growth through relationships with the Lord and with the church.

At this stage, there are already those who are willing and ready to undergo a 3-month training course on the topic of discipleship. It is encouraging that this topic is relevant and of interest to Christ's disciples. If the Lord permits, we plan to hold a similar introductory seminar this fall, gradually reaching out to the remaining evangelical churches.

Please pray for our upcoming teaching to the newly formed group. We plan to begin on April 18. Pray for the participants themselves, that the fire of personal mentoring and discipleship may grow in local churches, helping Christ's disciples to grow and become more like Christ.

### **Anniversary of the Women's Breakfasts**

The women's ministry in our church takes various forms. One such engaging format is the monthly women's breakfast for young women and women of all ages. And now, a significant milestone in this ministry has just been reached—the 50th women's breakfast.

Women's breakfasts are always very meaningful for our sisters in the church. It's a place where women can come and talk about various topics that concern them. It's a place where non-believing young women and Christian women get to know each other and form friendships. It's a place where we can share about Christ and pray for them. This is certainly not an easy ministry, but we already have regular guests who are non-believers.

Praise God that other churches have really liked the format of these meetings. Our experience with women's ministry has sparked interest in other churches. Two churches (in Pinsk and Grodno) are already holding similar women's breakfasts. Perhaps something similar will open in another city soon. May the Lord be glorified there as well!

Please pray for the team of sisters and personally for my wife, who coordinates this ministry, that the Lord may grant her strength and wisdom. May tens and hundreds of non-believing young women come to know Christ as their Personal Savior and Lord!

**God bless you!!!**

**P.S. Dear friend,** if the Lord encourages you to donate to our ministry, you can through the Christian organization Eurasia Partners at this link: <https://www.eurasiapartners.org/give/00245/>. Your financial participation, covered by prayer, will enable us to carry out the ministry of the gospel and missions in our city and country.

**Thank God for you!**
