Hello Friends!

We are fortunate at Ohio State to have so many coaches and faculty so supportive of our Christian faith. This past Wednesday instead of having our regular CrossSports meeting, we went to the Elevation Worship concert in Columbus. Our good friend and advisor for CrossSports, Wrestling Coach Tom Ryan, arranged it. He along with other coaches secured one hundred tickets for our athletes, coaches, as well as their families. Then a local restaurant provided a meal for us before the concert. Coach Ryan suggested we have someone from CrossSports tell the other athletes about our organization. Kami from Softball and Beau from Football let their fellow athletes know about CrossSports and how they could be involved. Kami, then prayed for us and we all headed out to worship together. What an amazing bonding time it was!
