

About

This 3-year Bible reading plan has you reading a chapter from the Old Testament, a chapter from the New Testament, and a Psalm each day, 5 days per week. Every year for 3 years, you will read all the way through the New Testament and Psalms, and in 3 years, you will make it through the entire Old Testament.

Why should you do the 3-Year Reading?

- 1) It provides a manageable pace. We have provided two days off in case you need to catch up on your readings.
- 2) The Old Testament readings are arranged chronologically to help you keep track of the timeline.

Ask yourself these questions when reading:

1. What does this Bible chapter/passage teach me about God?
2. What does this Bible chapter/passage teach me about myself or people in general?
3. What should I apply in my own life from this passage?
4. What does this passage inspire me to talk to God about as I pray to him?
