

**Home Group Notes**  
**Week of November 26, 2023**  
**“Endurance” series #4**

# ENDURANCE

HOME GROUP NOTES

## **SHARE IT**

When was a time when enduring led to a true benefit in your life?

## **LEARN FROM GOD’S WORD**

What do we learn the promises of God from these passages:

Psalm 103:1-5

Galatians 6:7-10

Hebrews 11:13

Consider the following passages and the benefits that God promises to those who endure.

Matthew 6:19-20

1 Thessalonians 4:1

2 Timothy 2:3-7

2 Timothy 4:8

Hebrews 12:7-11

1 Peter 2:20

**DISCUSS TOGETHER**

What does enduring look like in your life? What are you enduring at this time?

Who has been an example of “enduring in faith” for you?

How might learning about the promises of God encourage us to endure in this life?

**APPLY IT THIS WEEK**

What encourages you to live for Jesus, even though it is costly, inconvenient, or even painful? Do you truly believe that God rewards you for your obedience and sacrifice?

**PRAY TOGETHER**

- Please pray for our Global Workers in the holiday season
- Please pray for our many people in difficult times due to illness or loneliness
- Please pray for our Elders and Search Team
