

ANGELS WATCHING OVER ME

Have you heard someone say, 'I think an angel was watching over me that day.' There are many times in life when we sense that we were protected by a force that outside of ourselves. Have you had such an experience?

LISTENING TO GOD IN THE BIBLE

Only the Bible gives us insight into the spiritual realm of God at work in our lives. It is God's story to help us know Him, transform our lives, and be the authoritative truth. While God is usually invisible to us, He has revealed Himself through Jesus, through the work of the Spirit, and through His servants. Those servants include angels.

In the book of "Daniel," angels (servants of God) repeatedly protect, give insight, understanding, and comfort to Daniel and others. Chapters 10-12 open a window into the usually invisible realm of God's servants that we call angels.

In addition, chapter ten reveals more of the kindness and love of our God who sees our needs and hears our prayers. Let's begin by reading 10:1-11:1 and consider these questions.

Daniel was still needing hope for his people and Jerusalem. What were his actions? (1-3) Why so extreme?

What did God do as a result of Daniel's prayers?

How would you describe Daniel's responses when he encountered angels? Why might he have responded so extremely? (See also Isaiah 6:5-6)

Compare God's words to Daniel in 10:11-12 and 9:23. What do you think and feel as you read this? Do you think that this extends to you?

Read back through this chapter and record what we learn about angels.

- About their existence?
- About their work?
- About their role in our lives?

DISCUSS TOGETHER

What are some of the 'ahah's you felt in this chapter? What does this tell us about God and His Master Plan?

Why do you think that God revealed information about angels to Daniel? And what does this mean for us today?

Intense prayer and humility have been central in the book of Daniel. What do we learn about humble prayer in our lives and relationship with God and His work in the world?

APPLY IT THIS WEEK

Twice God has given a personal message to Daniel, saying, "you are treasured" (loved, esteemed). Can you imagine God sending an angel to give you this message? Even better than an angel, God sent His Son to give you this message. He said, "As the Father has loved me, so have I loved you. Now, remain in my love" (John 15:9). Do you believe Jesus' words? Do you understand that you are "treasured" by God? Have you thanked God for His love? Walk through your week with humble thanksgiving and praise. Let God be your treasure.
