**Week of May 5, 2024**  
**Nehemiah 4**

**BUILDING TOGETHER**

When was a time when you worked with a team of people toward a common project? Have you teamed up to assemble a loft house in Mexico or been on a crew that to accomplish something measurable?

**LEARNING FROM GOD'S WORD**

After God gave the vision to Nehemiah and the King gave him permission to rebuild the wall in Jerusalem, the people began working hard to get the job done. In chapter four, the enemies of Judah attempted to stop the progress.

Read through Nehemiah four and consider the following questions.

How would you summarize what happens in this chapter?

What did the enemies do to stop the progress?

How did Nehemiah and the leaders respond?

How was fear showing up in the people? What did Nehemiah do about their fears?

Where do we see “the good hand of God” in this chapter?

### **DISCUSS TOGETHER**

Who is typically on the receiving end of ridicule and threats? Why?

What motivates you to “work” building God’s kingdom? How might Colossians 3:23-24 shape our attitude toward “work?”

According to recent polls, a very small percentage of people in America are living out a biblical worldview. What do you think they mean by “biblical” and why do you think this has happened in America?

### **PLEASE PRAY**

- For Summer staff for Kid’s Ministries to be filled in May
- For our global partners as they work to see new disciples in new places
- For our church family to be focused on our mission to make disciples
