“Powerful” week #7: The Unity of the Spirit

UNITY IN DIVERSITY

Have been in situations where you had to depend on others? Or, where you really needed the strengths or abilities of one another?

SERMON RECAP

What stood out to you from the message by Doug Baker on Sunday?

STUDY THE WORD

From the beginning of the coming of the Holy Spirit to indwell believers (Acts 2), this began a new unity. The word “community” means “shared by all.” Let’s look at Scriptures that speak to the unity of the Spirit. Take note of what we learn from the following Scriptures that speak to this new unity.

Acts 2:16-18: What changed when the Spirit came? What was created?

Acts 2:44-47

2 Corinthians 13:14

Philippians 2:1-2

Ephesians 2:18, 22

Romans 5:5; Galatians 5:22; Colossians 1:8; 3:14

In Ephesians 4:1-16, the Apostle Paul describes a unity created by the Holy Spirit.

- What is our part (the part of God's family) in producing unity? (4:1-3)
- What is the foundation of unity? What do we need to understand? (4:4-6)
- What has God given to make unity possible? (4:7-8)
- What are the results of this new unity? (4:9-16)

DISCUSS TOGETHER

What is significant to you about the unity of the Spirit?

Why do you think that we don't always have the unity of the Spirit?

From what you read, what is our part in keeping the unity of the Spirit?
