ADVENT CONSPIRACY

EXCHANGING OUR WANTS FOR THEIR NEEDS

WHAT IS ADVENT CONSPIRACY?

YOUR FAMILY CAN MAKE A DIFFERENCE THIS CHRISTMAS THAT WILL LAST ALL YEAR LONG!

Advent Conspiracy is a movement, pointing us away from ourselves toward others, away from consumerism toward a generosity that will make an eternal impact in really exciting ways. It is about meeting people's needs by giving a BIG Christmas gift together as a church family. Through a series of special projects identified by our global workers and local outreach partners, Trinity Church offers a way to bless others worldwide. This is an opportunity to be strategic, planning with others to play an important part in communicating Christ's love and grace during the holiday season.

It all boils down to love. Love from a Savior and to those around us in need. Exchanging our wants for their needs provides incredible gifts of blessing not just for the winter season, but for many it is a life-long testimony of God's amazing love for them. We get the privilege of being involved in that blessing!

This year, Advent Conspiracy at Trinity Church invites everyone and their loved ones (kids, relatives, close friends, etc.) to join in the fun. We encourage everyone that normally exchanges gifts to share their opinions and choose a specific project from the list that resonates with their hearts.

Our motivation and primary concern when considering which organizations to support is an opportunity to demonstrate God's love and the gospel of Jesus Christ. There are many 'good things' to be involved in, however, the 'Good News' of Jesus Christ is the most needed and the best gift we can give to others. Each of these projects selected will provide support for ongoing ministries, which have as their primary and ultimate goal to demonstrate the gospel both in word and in deed.

PLEASE PRAY THROUGH YOUR INVOLVEMENT AND HAVE AN INCREDIBLE CHRISTMAS SEASON!

LOCAL OPPORTUNITIES

FORGED FATHER'S PROGRAM

Forged Fathers would provide intentional, Christ-centered support to men whose partners are facing a planned or an unexpected pregnancy. The program would include one-on-one mentoring, small-group sessions, and practical fatherhood education. Participants receive a Forged Fathers Kit with resources covering topics such as fatherhood, healthy relationships, communication, finances, preparing for a baby, and spiritual leadership. Regular small group meetings would provide a place for men to build relationships with other fathers and mentors, ask questions, and receive encouragement and would include individual follow-up, connecting fathers with employment, education, financial, parenting, and community resources when and where needed. The goal is to move fathers from feeling overwhelmed or disconnected to becoming confident, involved, and equipped fathers who choose life and actively participate in building a healthy family.

FUNDING ABOVE AND BEYOND GOAL : *Our goal is to fully fund all of these projects.
