A DYSFUNCTIONAL FAMILY

old stories. same problems

Is your family a bit dysfunctional at times? You're not alone! Starting all the way back in the book of Genesis, we see family dynamics that carry forward dysfunctional traits across generations. Despite this reality, God still chose these people, our ancestors of the faith, to be God's people. As we seek to learn from these ancient stories and apply our learnings to life today, we'll discover a hope grounded in the unmerited grace of our Creator.
