

Hey families! Here's a look at what we're covering with your kids this month so you can continue growing at home during the week.

MAY 5TH

This week, kids will talk about how God made water/the seas.

- BIBLE TRUTH:** God made water/the seas.
- SCRIPTURE:** Genesis 1:9-10
- ACTIVITY:** This week, spend time talking about and interacting with water. Try watching a video about the ocean, making a water sensory box, or even "doing the dishes" together. Remind them that God made water!

MAY 19TH

This week, kids will talk about how God made the moon/stars.

- BIBLE TRUTH:** God made the moon/stars.
- SCRIPTURE:** Genesis 1:14-18
- ACTIVITY:** This week, spend time talking about the moon and stars. Consider doing a craft together such as making their own cardboard roll telescope or cut a sponge into a star shape and paint with it. Remind them that God made the moon/stars.

MAY 12TH

This week, kids will talk about how God made the sun.

- BIBLE TRUTH:** God made the sun.
- SCRIPTURE:** Genesis 1:14-18
- ACTIVITY:** This week, spend time outside with the sun. Put on sunglasses and talk about how God made the sun to give us light and warmth. Try getting up early and watching the sunrise or staying up late and watching the sunset. Remind them that God made the sun!

MAY 26TH

This week, kids will talk about how God made the sea animals.

- BIBLE TRUTH:** God made sea animals.
- SCRIPTURE:** Genesis 1:20-21
- ACTIVITY:** This week, spend time chatting about all the sea animals that God has made. Try showing pictures of sea animals and pretending to be like them in sound and motions. Remind them that God made sea animals!
