

Hey families! Here's a look at what your kid is learning this month.

BIBLE TRUTHS FOR THE MONTH

This month your kids are continuing to learn that God is Creator! They will focus on how God made different parts of their body.

SEPTEMBER 7TH

This week, kids learn how God made **my legs and feet**.

- **CHALLENGE:** Have a dance party with your kids! Jump up and down. Spin in circles. Use your legs and feet until you can move anymore. Consider saying, "Thank God for my legs and feet so we can dance together!"

SEPTEMBER 14TH

This week, kids learn how God made **my hair**.

- **CHALLENGE:** Have a silly hair day with your kids! Consider adding something special to their hair – clip in color extension, tinsel, sparkles, color spray. Or do something special with their hair that day – spike it up, make a mohawk, curl it, straighten it. Consider saying "God gave you such beautiful/handsome hair!"

SEPTEMBER 21ST

This week, kids learn how God made **my voice**.

- **CHALLENGE:** Allow your kids to use their voice in big and small ways this week. For example, go outside and scream and yell. In the car, sing your favorite song really loud or only whisper at a family meal. Consider saying, "God made our voices and we can use them to sing, shout, and whisper praises to him."

SEPTEMBER 28TH

This week, kids learn how God made **my heart**.

- **CHALLENGE:** This week help you kids show love to others! Remind them that God gave us a heart to live and a heart to love. When you see them do something that is showing love to someone else, say "I am so glad you're using the heart God gave you to love someone else!"
