

Hey families! Here's a look at what your kid is learning this month

## ***BIBLE FOR THE MONTH***

This month your kids are continuing to learn that God is Creator! All stories will be coming from Genesis 1-2.

### ***JULY 6TH***

This week, kids learn how God made **the land animals**.

- **CHALLENGE:** Play guess the animal with your kids. Make a sound of an animal and have them guess what you are. Then give them a chance to sound like an animal and you be the guesser. Choose land animals and remind them how God made them all!

### ***JULY 13TH***

This week, kids learn how God made **fruits and vegetables**.

- **CHALLENGE:** Try to incorporate extra fruits and vegetables as snacks this week with your kids. Maybe even consider doing an appetizer tray before dinner one night with fruits and vegetables!

### ***JULY 20TH***

This week, kids learn how God made **people**.

- **CHALLENGE:** Take time this week to sit down with your kids and draw family/friend portraits. As they draw talk about how God made everyone, and he thinks that everyone is special. Consider helping your kids see what's special about the people around them – example: They're strong! They're brave! They're funny! They're kind!

### ***JULY 27TH***

This week, kids learn how God made **me!**

- **CHALLENGE:** Every day this week have your kids stand in the mirror and repeat affirmations to themselves like – God made me! God made my big smile! God made my strong muscles! God made my beautiful hair!
