

## **Chaplain (Independent Contractor)**

University Retirement Community invites applications for an Independent Contractor serving as Community Chaplain. We are seeking a compassionate and experienced ministry professional with a background in congregational, healthcare, or hospice settings. Experience serving older adults is highly valued.

In this role, the Chaplain will offer pastoral care to residents at all levels and lead weekly Sunday worship services, fostering a supportive and spiritually enriching environment.

**Position:** Community Chaplain (Independent Contractor)

**Organization:** University Retirement Community

### **Qualifications:**

- Ministry experience in congregational, healthcare, or hospice settings
- Experience with seniors preferred

### **Responsibilities:**

- Provide pastoral care to residents across all levels of care
- Plan and lead weekly Sunday worship services
- Organize Memorial services as requested by facility and/or residents of facility
- Connect with local clergy and develop additional resources for resident support

### **Details:**

- 88 hours per month
- Monthly contract rate: \$3,500

**Please email resumes to Maria Kruizenga, Resident Services Director, at [mkruizenga@retirement.org](mailto:mkruizenga@retirement.org)**
