

Westminster Presbyterian in Sacramento CA is looking for a Bridge Pastor to continue to shepherd our congregation as we transition to a new pastor.

It is our hope to find a spiritual leader:

- who is a listener, a good communicator, and someone to continue to love and shepherd us as a congregation
- who is a compassionate, welcoming and exceptional preacher and teacher to reach across generations and make a connection to provide nourishment for our souls both young and young at heart
- who has a passion for social justice and hope for a transformational future built on the bedrock of our unique community here in Sacramento and in the greater world
- who is a supportive Head of Staff, overseeing the program, music and administrative staff in a busy urban environment across from Capitol Park.
- who will continue to support our work with our partners, Midtown HART Respite for our homeless neighbors, relationships with Rainbow Faith Alliance, Mid Town churches and being the liaison with our other community partners.
- who will provide spiritual and personal counsel and support to those who need special care and all who seek such guidance.

Overall we are looking for a visible, caring pastor, and spiritual counselor, willing to minister to a progressive congregation seeking expression of faith, comfort in troubles and spiritual growth. A pastor responsible for helping members know, love and support one another, thereby supporting and creating an environment of trust, caring, fellowship and inclusiveness. Westminster is a member of The Covenant Network of Presbyterians and a Matthew 25 congregation.

The Bridge Pastor may not be considered for a permanent Pastoral position.
