Again, credits may not be available in every area, every semester. In the event that there are more credit-seekers than positions needing to be filled, the opportunity to earn credits will be based on merit (strongest lesson plan proposal, work ethic, etc.) as determined by the Center director. It may be possible for a parent to give up their required service as determined by enrollment numbers. A parent may wish to do so to enjoy more time in the parent lounge but must remain on campus for the entire day. Credits and fees will be reevaluated periodically for appropriateness.
