# ELECTION PROCEDURES

The Canons of the Diocese of Texas provide that “Persons at least 16 years of age, who are enrolled confirmed communicants in good standing of the Parish, are entitled to vote for members of the Vestry and upon all questions requiring the action of the Congregation, but none shall be admitted to serve as members of the Vestry except those who are at least 18 years of age.”

Under the Canon, St. David’s Episcopal has decided that in most years 15 qualified persons shall serve three-year terms on the Vestry, five of whom shall be elected each year. However, in this transition year Bishop Doyle has given us special permission for John Crow to serve one additional year, and so we will elect four new Vestry members today. Based on the approval of this meeting’s Order of Business by a two-thirds vote, this year’s election will take place electronically.

A member of the Vestry having served a three-year term shall not be eligible to re-election until one year has passed after the end of the member’s term.

Only those present at the Annual Parish Meeting are entitled to cast a ballot. Voting by absentee ballot has not been authorized. All elections, by Parish tradition, are determined by those receiving the highest number of votes within the field of eligible nominees. A majority of those voting is not required to elect.

As to Council Delegate elections, the Parish is entitled, under the Canon, to elect four Lay Delegates. Elections may be either by the Vestry or at the Annual Parish Meeting, as the Vestry may determine, unless one of these methods has been stipulated at an Annual Parish Meeting. By Parish tradition, persons elected Lay Delegate serve four-year terms with one position being filled each year. By Canon, the Rector is authorized to fill any vacancy in the Lay Delegation at the time Council meets by appointment from parishioners who meet the qualifications.
