Welcome, Announcements and Greeting

Due to flu concerns, it's okay not to shake hands. Just greet your neighbor with a smile, a word of greeting, fist or elbow bump. Please pass prayer request cards to the aisle for the ushers during the first hymn. Please sign the Friendship Register and pass it through the pew. If you are visiting with us today, please take a moment to scan the QR code on the ‘Connect Card’ located on the cover of the Friendship Register. We are so glad you are here! Please see an Usher or Sacristan if you would like: headphones to assist the hearing-impaired, large print bulletins, walker, wheelchair, or activity bags to help busy young children.

***Call to Worship:** (Leader / Congregation)

We find it easy to say, “Yes, we will follow Christ.”

But sometimes discipleship makes uncomfortable demands on us.

Yet, in all of this, Christ calls us continually to follow.

He is present with us at all times.

Let us place our trust always in his guidance.

Let us open our hearts to his will and his ways. AMEN.

***Hymn:** *Earth and All Stars* (see page 4 of bulletin)

Shared Joys and Concerns & Prayer

Scripture: Luke 14:25-33

Now large crowds were traveling with him, and he turned and said to them, "Whoever comes to me and does not hate father and mother, wife and children, brothers and sisters, yes, and even life itself, cannot be my disciple. Whoever does not carry the cross and follow me cannot be my disciple. For which of you, intending to build a tower, does not first sit down and estimate the cost, to see whether he has enough to complete it? Otherwise, when he has laid a foundation and is not able to finish, all who see it will begin to ridicule him, saying, 'This fellow began to build and was not able to finish.' Or what king, going out to wage war against another king, will not sit down first and consider whether he is able with ten thousand to oppose the one who comes against him with twenty thousand? If he cannot, then while the other is still far away, he sends a delegation and asks for the terms of peace. So therefore, none of you can become my disciple if you do not give up all your possessions.

Strategic Planning Committee Update

The Strategic Planning Committee (SPC) met via Zoom on August 28. During this meeting, the committee discussed launching a regular communication campaign—similar to the “Board Highlights” in The Spire—to keep the congregation updated on our progress.

With Pastor Mark’s retirement, he will no longer sit on the committee after October 19th. If a new co-pastor is called while the SPC is still active, that pastor will join the planning process. If a call occurs after the SPC’s work is complete, the new pastor will receive the finished Strategic Plan as part of Lititz Moravian’s call materials.

The SPC also conducted a Spine Analysis of LMC and began examining our mission, vision, and values, including how these elements align and what might need to be refined to create a clearer, more concise expression of who we are as a congregation. To move this work forward, SPC has divided into three smaller groups to review mission, vision, and values in depth. These groups will meet individually before October 16, when the full SPC will gather again to review their work. An in-person session is scheduled for November 8 to set strategic priorities and next steps.

We are grateful for your prayers and support as we continue this vital work of discerning God’s call for the future of the Lititz Moravian Congregation.

Ever wondered which Sunday School class might be the right fit for you?

Join us for Sunday School Rally Day on Sunday, September 7th!

It's the perfect time to explore, connect, and discover a class that will help you grow deeper in your walk with Christ.

Here's a sneak peek at the opportunities available to expand your faith and learning this upcoming year.

Sprouts (Pre-K) & Rooted (K - 5th)

We warmly invite children to join us for an exciting and meaningful Sunday School experience that takes place every Sunday from September through May, 9:15-10:15AM, on the 2nd floor of the Christian Education Building.

Rooted in the Moravian tradition of "In essentials, unity; in non-essentials, liberty; and in all things, love," our Sunday School program is designed to nurture children's spiritual growth in a welcoming, inclusive, and joyful environment. Each week, children explore a Bible story—from the Old or New Testament—through a rotating lens of Bible games, art, music, drama, science experiments, or food-based activities. These creative approaches help bring the stories to life and deepen their understanding of God's love.

Additionally, children get to enjoy story time and a themed craft in our cozy Book Nook once a month and participate in special community service projects and fun social gatherings throughout the year. These experiences not only enrich their faith journey but also help build friendships and a strong sense of belonging in the church community.

As we teach and learn together, we are guided by the words of 2 Peter 3:18: "But grow in the grace and knowledge of our Lord and Savior Jesus Christ."

We hope you'll consider enrolling your child in this vibrant and engaging program. It's more than just Sunday School—it's a space to grow, serve, create, and connect with God and one another. All are welcome!

Cultivate (6th - 12th)

Just as Jesus and his disciples ate, traveled, discussed, struggled, and prayed together, Cultivate at Lititz Moravian invites youth in grades 6–12 into a shared journey of faith, friendship, and purpose.

The goal of Cultivate is to nurture a mindset of Learning, Grace, and Action—creating a climate where students grow spiritually, emotionally, and relationally. Through Sunday morning Faith Formation, students build a personal relationship with Jesus by engaging in prayer, discussion, and Bible literacy. Each week has a rhythm for Learning: Brunch & Discuss, Classic

Bible Stories, Mini Missions, Worship Encounters, and Game Days. Relationships are strengthened not only in class but also through monthly social events. Grace shapes the environment into a safe/brave space where teens can be their authentic selves while learning to extend grace to others. Action means putting faith into motion—whether by inviting a friend, helping neighbors, or joining with the wider Moravian community. Led by Pastor Sayward and grounded in meaningful questions and shared experiences, Cultivate helps youth explore what Jesus is doing in their lives and how they are called to respond.

Adult Classes

The Wired Word

The Wired Word class takes current events and connects them to scripture, sparking meaningful and thought-provoking discussions led by Chris Styers, Liesl Wolf, and Pastor Mark Breland.

Exploring recent news stories, engaging with challenging questions and commentary, reading scripture from both the Old and New Testaments, sharing in guided conversations and closing with prayer.

Lessons are emailed in advance, and many participants follow along on their phones. Come join the conversation — and bring your perspective as we learn and grow together!

Seekers Class

The Seekers Class is a place for anyone looking to grow deeper in faith while enjoying fellowship and conversation. Each week, we watch a short video on a faith-based topic and then spend time discussing what it means for our lives today.

In the past year, we've explored two programs by Pastor Andy Stanley:

- “Follow” — learning that Jesus’ invitation is about beginning a relationship with Him.
- “Starting Point” — discovering what it might look like for an adult to start fresh in following Jesus.

Our time together is lighthearted and welcoming, yet meaningful — and always centered on growing in love for Jesus.

Keeping Holy Time

Each week, we gather to dive into the weekly scripture lessons and discover how God’s Word speaks to us today. Together we look at why the passage was written, who it was written for, what it means, and how it connects to our lives now. Through this, we come to see why these lessons are important for our faith journey.

Come join us as we learn and grow together in the Bible. 14

LITITZ MORAVIAN MEADOW

You might be a Lititz Moravian congregant who has asked why there is a field of tall grass along the church driveway and Cedar Street. It is phase one of establishing a meadow that will support local biodiversity, support pollinators, reduce stormwater runoff, reduce emissions and fossil-fuel dependence of gas mowers, reduce the workload of our volunteers (less time spent mowing), and support the endangered Monarch Butterfly and other insects.

There are differing methods to establish a meadow; and the simplest, most economical way is to stop mowing and monitor what will naturally grow. Although we started phase one during 2024, the grass barely grew because of the drought. Spring and Summer of 2025, with all of its rain, finally established the basic meadow.

Phase two will include establishing wide pathways for strolling and observing, planting and sowing native perennials and wildflowers, and placement of signage so passers-by will know specifically what this area is (there were “no mow area” signs placed, but most of the signs came down during the winter). We hope to place benches for resting along the pathways.

As we continue to establish pathways, and plant and sow flowers, you will see the changes gradually take place; and you are encouraged to stroll through our meadow then and connect with God’s beautiful creation. If you would like to donate wildflower seeds or native perennials, please reach out to a Cemetery Committee member or Brenda Barnes.

Please contact the Cemetery Committee with any concerns you may have and you can email Dave Walter at: jonwalter123@outlook.com.

Challenged by Scripture

Jesus continually challenged his contemporaries. In Mark 2:23 the Pharisees complained that his disciples were breaking the law by plucking grain on the Sabbath. In Mark 3:1ff., as Jesus healed a man's withered hand, the Pharisees conspired with the Herodians on how to destroy him—despite the commandment ruling in Exodus 20:13 and Deuteronomy 5:17: “You shall not kill.” Then again, the Hebrews understood God ordering Moses telling them to stone a man to death for picking up sticks on the Sabbath (Numbers 15:32ff.). Clearly, New Testament Hebrews also had no trouble ignoring the commandment.

We are challenged to decide when a Scripture is of the spirit and when it reflects cultural bias.

Our text for today directs us to carry a cross or forgo discipleship. Since mentioning the cross brings to mind the death of Christ, does this text challenge us to go all the way for what we believe? Or does it remind us that Christian discipleship is never simple or easy? The text further calls for us to give up all our possessions or lose discipleship. Given the proliferation of full garages and storage units in our country, we take this Scripture with a grain of salt. Given that the U.S. economy is driven by our consumption, may God's spirit be with us as we are visibly and continually challenged by these verses.
