Ladies Mini Sessions

Have you been wanting to join a ladies group, but you're not sure about how they work or how your schedule will work with a long-term commitment to a class? Check out this spring's mini courses to get involved and grow your faith and relationship with God!

Love Does

Led by Tori Norris
This four-week class based on the book by the same name by Bob Goff explores how as Christian women we experience real growth as we learn to tap into the love of God. Using love fills us. Risking love secures us. Giving love satisfies us. Ladies in this class will be challenged to put God's love into action!

Starved

Led by Kim Hopkins
In this four-week study loosely based on the book by the same name by Amy Seiffert, women will learn to change their spiritual diet and start enjoying a fulfilling faith. Ladies in this class will "sweep out their spiritual pantry" and replace our old "ingredients" with strong biblical principles that will provide healthy change in real, lasting ways.
