BIBLE READING HELPS

- To keep you from being frustrated if you fall behind, this plan is designed for daily reading five days a week. With the two weekly "free" days, you can read additional scriptures or catch up if you missed a day of reading.
- If you finish the month ahead of schedule, go back and look at passages that intrigued you and read and study them at a deeper level.
- As you go through your Bible reading, pray that the Holy Spirit will illumine you as you read the Living Word of God. May this be a Lamp to your feet and a Light to your path.
