

EXTENDED CARE PROGRAM & RATE STRUCTURE

The St. John Extended Care Program is an optional service offered to St. John Lutheran School families to provide effective, safe, and engaging child care services for its Pre-K-8th grade students during the before and after school hours. It offers activities to encourage the students through physical activities in the gym and playground, as well as in the Commons area.

In the after-school time period of the day, the student will also be encouraged to start their homework, as well as enjoy a snack, which is provided by the program.

Questions and Comments about Extended Care can be directed to Desiree Caruso, dcaruso@stjohnindy.org or 317-847-0148.

AM CARE: 7:00-7:40AM
