

Dear CCC Members and Regular Attenders,

It is with deep sadness that I share with you a situation that has just come to our attention.

On Wednesday, December 11, 2024, Michael Pierce, a member and former pastor of Cocalico Community Church was charged with possession and distribution of child pornography.

Due to the nature of these charges, Mike has been removed from all his roles as a volunteer and is prohibited from entering CCC property pending the outcome of the criminal case that was initiated Wednesday.

We take these allegations very seriously. Right now, our priority is the safety and wellbeing of our entire community. We encourage anyone with additional relevant information to contact the Elder Team.
