

### **Camp Grace in Roberta, GA**

Join our team in serving at Camp! Our mission team activities will include helping setup, serve and clean up for all meals, setting up for large group games, and leading/facilitating the Arts and Crafts activity for campers age 7-12. We will also serve in the Foot Washing Ceremony and several other general camp clean-up assignments. We will stay on-site in the modern Bunkhouse with all meals provided.

**Dates: June 1 – 6, 2025 | Cost: \$225.00 per person**

### **Medical Missions Ministries in Guatemala City, Guatemala**

Medical Missions Ministries is an excellent ministry for the whole family to experience international missions. MMM brings a small medical team, a dentist, and a portable pharmacy with basic medicines and vitamins to rural villages hosted by local churches working in partnership with them. They offer this help while we, the US team, work to support them in children's evangelism, the pharmacy, and in counseling stations to pray with each patient. MMM is an excellent way to serve and grow in your relationship with Christ and in living out His Good News. It is geared to train us how to become comfortable sharing the gospel, praying with and for people, and showing His Love to different socioeconomic groups. This week is affectionately called "A Date with Jesus" because it is a week being immersed in another culture but also experiencing rich testimonies and growing/teaching time as a team as well.

**June 7 - 14, 2025 | Cost: \$2,000 per person**
