New groups start in the fall, winter, and spring. This schedule allows for focus areas to be taught over a 6-8 week time period. Each series will have a family friendly community night celebration on a Wednesday night. Educational programs are facilitated by our children's director along with trained adult volunteers who assist with small group time and special events. The nursery is staffed with trained leaders who are eager to share God's love. Grow curriculum will be used for education. The weekly lesson will be the same but Sunday and Wednesday activities will be different to allow for deeper understanding and more fun!
