So All Are Welcome

Three years ago, the people of Cross Winds UMC prayerfully discerned that the time had come to renovate our facility, "So that all are welcome." This prayerful beginning, fueled by the power of the Holy Spirit, resulted in an incredibly generous capital campaign effort raising over \$558,000 collected across these past 3 years. In December 2024, we concluded the Capital Campaign drive and are blessed to report that thanks to your generosity and faithfulness, we received a 98% collection rate of pledges promised in 2022.

At a Glance - Projects Completed

- Sanctuary improvements – installation of motorized window shades
- Commercial Kitchen Construction
- Fellowship Hall Renovation – repainting and renovation of stage area
- New exterior deck and sidewalk renovations
- Bathroom accessibility upgrades
- Building security and installation of programmable front doors

Remaining Balance

We have a Capital Campaign reserve fund of \$47,921 available for additional projects that will be managed by our trustees for future facility renovation work.

We are incredibly grateful for the generous and talented leadership that was required to make these dreams a reality.
