“For I was hungry, and you gave me something to eat...” (Matthew 25:35)

REFLECTION - The Toughest Places on Earth

According to the World Food Programme, “8/10 of the world’s worst food crises are driven by war, persecution and conflict.”

An FMSC partner described their work in these tumultuous places as: “Together we express the kindness of Jesus by relieving suffering, restoring dignity and revealing hope to people living in the toughest places on earth.”

This week, we especially invite you to pray for those caught in war and conflict, who are receiving meals from FMSC and other humanitarian organizations. Pray for those who are delivering these meals to those living in the toughest places on earth. Our work, providing prayer and food, is crucial in supporting their ongoing work. As FMSC shared, “As long as we keep sending meals, our partners are willing to do whatever it takes, wherever it takes them, to bring food to those who need it most.”

FMSC TESTIMONIAL - THE MIDDLE EAST

FMSC is sending MannaPack® meals to 11 countries in the Middle East, where the food is distributed by trustworthy food partners committed to getting nutritious meals to those who need it most.

With a history of political instability, the Middle East faces many challenges to its economic development. A quickly growing and sizable portion of the population in the Middle East is made up of internally displaced people and refugees fleeing conflict from within their countries.
