## REFLECTION - Preparing for the Mobile Pack at Cross Winds

We are grateful for your prayerful support of our April mobile pack. Over the past few weeks, we have asked you to pray for people around the world, especially those who are in vulnerable conditions. Your prayers have been a blessing, and we hope your time in prayer has been a source of encouragement.

This week, we ask especially for your prayers for the people who will be packing meals at Cross Winds in April and for our leaders who continue to work to prepare for this event. There are many logistics to work on so that this event can happen. Please pray for our lead team coordinators – Dave Looney (co-lead), Kris Kosloski (hospitality), Brenda Machacek (hospitality), Amber Lahtinen (prayer), Lori Walber (logistics), Stina Koppes (volunteer). We also are incredibly grateful for the entire Cross Winds community who continue to work behind the scenes to get ready for this event. Thank you, church and community, for your support.

## FMSC TESTIMONIAL - ASIA

Currently more children in southern Asia suffer from undernutrition than any other region in the world. FMSC sends MannaPack® meals to many incredible partner ministries that are working hard to reach those in need in 16 countries in Asia.

Several of FMSC's partners in Asia focus on serving communities and families in the Philippines. Made up of more than 7,000 islands, the Philippines is located consistently in the path of typhoons, which cause damage and create a difficult cycle of recurring devastation, poverty, and low food security.
