

HIGHER GROUND YOUTH CHOIR

Higher Ground Youth Choir September through May

Higher Ground for grades 6-12 includes opportunities for leading in worship with music, spoken word, and drama. Students will learn a variety of skills including reading music, singing, and use of the voice and body in spoken word. Higher Ground will meet Sunday mornings at 9am with additional times scheduled throughout the year for individual coaching on leading worship. There will be opportunities to both sing in worship and work with adult worship leaders in Sunday services. Higher Ground is also invited to sing with the adult choir in the Christmas Musical.
