AGAPE was founded in 1966 with the purpose of helping orphaned children be adopted into safe, loving Christian families. Through the years, AGAPE has become a cornerstone in Middle Tennessee in serving children and families in crisis through foster care, adoption, domestic violence care, shelter, advocacy, and professional counseling.

We fulfill our mission by providing hands on services that break cycles, build relationships, and touch lives daily through foster care, adoption, professional counseling, domestic violence care, shelter, and court advocacy.

# OUR PROGRAMS

## FOSTER CARE/ ADOPTION

AGAPE recruits, trains, and prepares Christian families to provide loving homes for children in foster care and often connects these children to "forever families". Agape also offers maternity care services.

## DOMESTIC VIOLENCE CARE

Through AGAPE's Morning Star Sanctuary, we provide shelter for those experiencing domestic violence, and we offer a 24-hour crisis line, legal advocacy, a mentoring program, and assist victims with Orders of Protection.

## COUNSELING

AGAPE offers counseling and psychological services for all ages at 13 locations across Middle Tennessee. We accept insurance and provide a sliding scale fee to ensure affordable care.

## The Blasing Family

On October 31, after 1,480 days in foster care, Diamond Marie Lynne made the choice to forever be a part of the Blasing family.

After 565 days in foster care, Myka Joy joined her big brothers and sister!

“Depression is a thorn in my flesh, and I’ve struggled with it since my childhood. I am learning to live with it now much better since I reached out to AGAPE. Thank you, AGAPE for all the people you help every day, and thank you for empowering me to heal.”
