AGAPE was founded in 1966 with the purpose of helping orphaned children be adopted into safe, loving Christian families. Through the years, AGAPE has become a cornerstone in Middle Tennessee in serving children and families in crisis through foster care, adoption, domestic violence care, shelter, advocacy, and professional counseling.

We fulfill our mission by providing hands on services that break cycles, build relationships, and touch lives daily through foster care, adoption, professional counseling, domestic violence care, shelter, and court advocacy.

OUR PROGRAMS

FOSTER CARE/ ADOPTION

AGAPE recruits, trains, and prepares Christian families to provide loving homes for children in foster care and often connects these children to "forever families". Agape also offers maternity care services.

DOMESTIC VIOLENCE CARE

Through AGAPE's Morning Star Sanctuary, we provide shelter for those experiencing domestic violence, and we offer a 24-hour crisis line, legal advocacy, a mentoring program, and write Orders of Protection.

COUNSELING

AGAPE offers counseling and psychological services for all ages at 13 locations across Middle Tennessee. We accept insurance and provide a sliding scale fee to ensure affordable care.
