Easter 2026

The Easter event shook the foundations of the world!

Pardon me for being dramatic.

Jesus dealt with many of our maladies during his ministry: sickness, blindness, disease, social stigma. But doing battle with death itself was his greatest undertaking. Our faith proclaims that the one who defeated death is able to stand with us in our darkest times, able to deliver us from the most heinous foes, able to free us from the most devastating situations.

A savior that can't do all that isn't much of a savior at all.

My sermon this Sunday is entitled, "To Believe Impossible Things." If the impossible remains impossible, then what are we even doing here? More than just making life a bit more livable, more than just making this world a little more just, Jesus overturned the whole thing. And because he did, we can set our sights on other impossible things: like swords turned into plowshares, like dignity and opportunity for all, like healing and wholeness, like freedom and liberation.

Join us this Sunday as we celebrate Easter. Our service will feature glorious music, beautiful lilies, meaningful words, and an invitation to the table of Holy Communion. Communion on Easter is a beautiful reminder that our faith begins with the inclusion of table fellowship and is ushered forth in the wide-open ending of an empty tomb.

See you Sunday!

## Nominations: Church Leadership for 2026-2027

**INCLUSIVE • INQUIRING • INVOLVED**

**Northside Drive**  
**BAPTIST CHURCH**

**Reminder: Your nominations are important to ensure positive leadership for Northside Drive during the upcoming church year.**

Again this Sunday, we will have ballots and voting boxes in the Narthex following the service. Your nominations are essential for the committee as we nominate the slate of a new **Moderator**, three new members to the **Diaconate** and two members each to the **Finance and Personnel Committees**. These committees have specific term limits for members, and we will need to fill vacant

positions as individual terms end. Please be prayerful as we move through this process to select our leadership for the coming church year, which begins in August. We will vote on the proposed slate May 31 during Church in Conference.

Below is a link allowing individuals to sign up to serve on committees which interest them. Many NDBC members serve on more than one committee. There is a complete list of committees at the link site.

## Celebrating Our Graduates

Do you have a graduate in your household? We want to celebrate them!

Northside Drive would love to recognize the accomplishments of our graduates in an upcoming edition of The Pinnacle. If someone in your family is graduating this spring, please send us their name, school, degree (if applicable), and a photo if you have one.

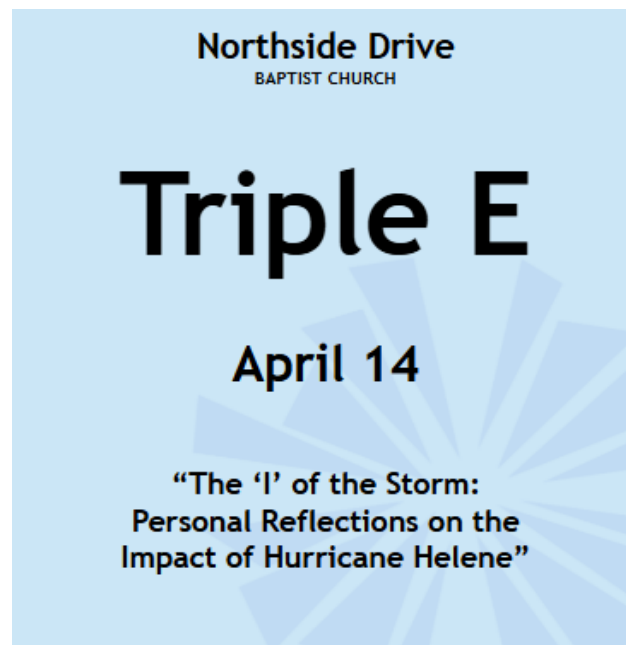

Submit your information to the church office by Tuesday, May 5, and help us celebrate this important milestone in the lives of our church family.

You can email your submissions to the church office at [lydia@northsidedrive.org](mailto:lydia@northsidedrive.org).

Let's honor our graduates together!

## Triple E | April 14 | 11:00 AM

James and Liz Lamkin will return to give us a first-hand account of their experience in Asheville during the devastating storm of September 2024. It's a story of loss and destruction as well as human kindness and resilience. And the story is ongoing as Asheville works to decide what's next. Don't miss this informative program.

## Scheduled Power Outage at the Church April 6-9

As we approach completion of the installation of the new HVAC system, which will service the Educational Building including the Chapel and former Fellowship Hall space, the power to our entire campus will be off from Monday, April 6, through Thursday, April 9. This timing coincides with Kiddos' Spring Break. Refer to the Pinnacle for programming changes during this time.

For this period our church staff will be available, but they will be working from home. Progress sometimes requires sacrifice. We appreciate your understanding.
