## May Triple E Picnic

The 2026 edition of the Triple E End-of-year Picnic was graciously hosted by Melissa and Mark Bryson at their home in Brookhaven on March 12. Chef Melissa created a Southern picnic buffet enjoyed around navy checked tables bedecked with spring flowers, all set throughout the house. The picnic met all expectations for great food, good conversations, and warm hospitality.

Among other celebrations, the group congratulated Scott upon his recent graduation from the Candler School of Theology with a Doctor of Ministry degree and welcomed his parents, Don and Sherry Hovey, to the picnic as special guests in town for the graduation.

## Touching Taliaferro With Love June 7-10

It's Taliaferro Time! For twenty years, volunteers from NDBC have partnered with the community and other friends to provide summer camp for the children of Taliaferro County. Through Bible stories, crafts, board games, music, and recreation, we share God's love and our love with the children in this rural county.

If you are interested in participating in this wonderful adventure, contact Virginia Gilbert 770-617-1809 or Barbara Atchley 404-310-9635.

If you are not able to participate in person but want to support the children, we are collecting school supplies. Items requested are wide-ruled notebook paper (packs of 100-200 sheets), yellow #2 pencils, and 12 count packs of colored pencils. Please bring the donations to the Narthex by May 31.

Thank you for your prayers and support.

## Art & Soul Study

The Art & Soul class is studying Dr. Joerg Rieger's book, *Jesus vs. Caesar: For People Tired of Worshiping the Wrong God*. This is a six-week study, but each lesson is independent of the others. Please join us when you're available.

This week Hartwell Dew will present Chapter 5: "Dialogues."

Here is a description of the book from Amazon:  
"When we observe a tension between Jesus and Caesar, we acknowledge that a fundamental tension remains at the heart of Christianity. The tension is not between religion and atheism or secularism. Nor is it between organized religion and personal spirituality or between Christianity and other religions. The tension is located within the heart of Christianity itself because it is a radical conflict between faith that is life-giving for all and faith that is damaging and destructive of people and the earth."
