Creating Communities of Conviction

I am honored to be able to share my Doctor of Ministry thesis this Sunday in worship. Don't worry, I won't read all 10,000 words! I have a sermon version that is average-sermon length. As I shared during the program, this work is for us. As you will hear on Sunday, the subject of my thesis is Northside Drive Baptist Church. I celebrate the good work of the church even as

I explore blind spots for progressive Baptist churches. The title of my thesis is, "Creating Communities of Conviction."

This Sunday is Trinity Sunday in the Christian calendar. While not explicitly trinitarian, my work is grounded in the belief that the inner life of God is the model for our lives together. In other words, the Trinity shows the perfect interplay between unity and diversity, community and individuality. Such is the challenge for us- finding the right balance between the 'I' and the 'we.'

The Doctor of Ministry journey was wonderful. It was a gift to me and, thus, my gift to us. As I will share on Sunday, the Doctor of Ministry is a church degree (as opposed to a PhD) and is rooted in my deep commitment to the local church, specifically this church.

I will have several bound copies of my full-length thesis for those interested. This Sunday begins our summer worship in the Chapel. It is the final Sunday in the Choir year and concludes with a meal together. Join us for worship this Sunday!

Touching Taliaferro With Love June 7-10

It's Taliaferro Time! For twenty years, volunteers from NDBC have partnered with the community and other friends to provide summer camp for the children of Taliaferro County. Through Bible stories, crafts, board games, music, and recreation, we share God's love and our love with the children in this rural county.

The Missions Team is collecting school supplies. Items requested are wide-ruled notebook paper (packs of 100-200 sheets), yellow #2 pencils, and 12 count packs of colored pencils. Please bring donations by May 31.

Habitat for Humanity Build | June 13 | 7:30 AM

I love that we have twenty hammers mounted on the wall of our education building. I would love it to become 21! I invite you to join me on Saturday, June 13, to lend our hands to the Habitat Interfaith Build. I have been working with some young adults both in our congregation and outside who are interested in doing good work. There are additional spots. If you are interested in joining us, talk with Scott.
