September 20 | Livestream and Order of Worship

Back in the Sanctuary

It was great to be back in the Sanctuary this past week. It is so wonderful to be surrounded by the beautiful windows during worship. One of the great things about worshipping in the Chapel is that we are all together; we end up spaced apart in the Sanctuary.

I'd like us to try sitting closer together in the Sanctuary. As we've done a few times in the past, we are going to 'rope off' the side sections to encourage us all to sit together in the two middle sections. Please don't see this as telling you where to sit, but a gentle encouragement to worship a little closer!

This Sunday we celebrate 74 years of Northside Drive Baptist Church. It will be a great day to recall the great legacy that we have and to consider all that lies ahead. And, we begin a milestone year as we enter the 75th year of our church. Over the next year we will plan a grand celebration for late September 2027. Stay tuned!

Blessing of the Animals

Join us for Blessing of the Animals on Sunday, October 4, at 4:00 PM in the Pavilion. Early October is a time to remember St. Francis and his great love for all of God's creatures. Blessing of the Animals is a time for you to bring your furry friends (not scaley!) for a time of blessing. No need to RSVP, just come and enjoy the time together.

Again this year we will spend the month of October reflecting on kindness. Kind 30 is a local initiative that is being embraced by churches, schools and businesses. We are encouraged to do one kind thing each day during the month- but don't stop there! Throughout the month we will share encouragement and ideas as we work to make our community a kinder place.

Trey Clegg Singers Concert

A poster for the 2026 Fall Concert by Trey Clegg Singers. The background is a dark, atmospheric scene with a path of light leading through a forest of autumn leaves. Musical notes and a treble clef are visible. The text is centered and uses various fonts and colors (gold, white, blue) to create a visually appealing layout.
