

OUR VISION

For our community to see us as:

BEING RELEVANT

- Thriving Digital Ministry where people can take steps in faith 24/7 and over 50% of our engagement will be online reaching over 500 people
- Updated facilities activated and modernized to be used for community engagement, ministry, and mission.
- Over 1000 people will be taking steps in life/faith journey monthly, as they integrate life, faith, and relationships.

REACHING EVERY GENERATION

- Multigenerational as we are a place for our kids and grandkids.
- Leadership developed and multiplied so every generation has a voice and impact.
- We mirror our community.

EMBODYING RADICAL ACCEPTANCE

- Everyone is welcome, no exceptions, in our culture of love and grace.
- A safe place for different conversations to model how to love those who are not like us.
- A faith community who seeks justice, diversity, equity, inclusion, and holistic well-being for all.
