INTERNET ACCEPTABLE USE POLICY

As parent or guardian of this student, I have read the Internet Acceptable Use Policy, and I give consent to my child's access to the Internet as follows:

Full access. I give consent for my child to have full access to the Internet as defined and supervised by the teacher and the Internet Acceptable Use Policy.

Limited access. I give consent for my child to only access those Internet materials specifically designated by the teacher.

Further, in consenting to Internet access for my child, I understand that my child's access to the Internet is designed for educational purposes. I trust that St. Peter's Lutheran School has taken precautions and safeguards to restrict access to controversial material. I also recognize it is impossible for St. Peter's to restrict access to all controversial materials and I will not hold St. Peter's Lutheran School responsible for materials acquired on the network.

PICTURE USE CONSENT

Occasionally, opportunities arise where St. Peter's Lutheran would like to use pictures of our children in different media, such as newspapers, yearbook and directory, web pages, newsletters, brochures, and other mailings. It is extremely important that you give us permission before we use pictures of your child. We do not wish to publish an individual or a small group picture of your child without your consent. Therefore, please complete the section below by placing an "X" next to the practice you would like applied to your child(ren).
