

How We Move

- What is one thing that stood out to you from this week's message?
- Everyone Answer: What is the craziest thing that happened to you while you were at a restaurant with others?
 - When it comes to dining out with others, what is more important to you? The restaurant or the company?
 - Do you post pictures to social media of your food or of the people you're with? Or both, or neither? Explain the reasoning behind posting these things?
 - What do you think it is that drives human beings to want to enjoy a meal with others?
 - Would you have had the experience that you described at the beginning if you had chose not to journey out for that meal?

If things can happen when you are simply moving by following someone to a restaurant imagine what can happen when we are moving to follow God!

- Read as a group Genesis 12:1-4
 - Have you ever had to move away from your support network? Describe the challenges that brought to you.
 - Having a support network back in the primitive times that Abram lived in was even more important than it is now! In what ways do you think Abram leaving his land and family brought him greater challenges than if he were to do that today?
 - Where will Abram's support come from now?
- Read Matthew 10:1-14 (Read the whole chapter if your group is inclined to do so)
 - How are Jesus' instructions to his disciples like God's call on Abram's life?
 - Why do you think he told them not to take things that would support them?
- In his teaching, Pastor Dave taught us that, "Moving with God is more about the Journey than the destination." Everyone answer, how has this been true in your own spiritual journey?
 - It seems that relying on God as our support to get us through is a major aspect of the Journey. What do you rely on God for?
 - What do you practically do to stay reliant on God daily vs. reliant on yourself?
