

YOU DON'T COMPLETE ME

Improving Our Serve

- What stood out to you from last Sunday's teaching?
- Everyone answer: Share about a time that someone did something big for you that you did not expect.
 - Describe your emotions when that happened.
 - How did that event change your relationship with that person?
 - How did you say thank you?
 - Flip the script. Have done anything like that for someone?
 - Why did you do that for that person? Would you do something like that for just anyone?
 - What did that feel like when you were able to bless someone in that way?
- Read Philippians 2:1-11
 - What do you see as the key points the Paul is making in this passage?
 - In Philippians 1:27 (right before our passage) Paul says that, "Whatever happens, conduct yourselves in a manner worthy of the gospel of Christ." Make a list out of Philippians 2:1-4 that describes how to do that.
 - How would you define the word, "Humility"? *Am modest or low view of one's own importance*
 - In her teaching last Sunday, LeTonya taught us that humility is not self-depreciation: It's not about thinking less of yourself, but rather thinking of yourself less. Compare/contrast that with the definition I provided in the previous question. Where is the line between the two?
 - In what ways do you see that vs. 1-4 are connected to vs. 5-11? Specifically, how does humility make us more like Jesus?
- What can sometimes stand in the way of humility for you? LeTonya gave us 4 examples: Competition, Anger, Offense, Pride. Or is it something else for you?
 - If the action of humility is service to others, what is the action of some of the barriers of humility?
 - What steps can you take to remove barriers of humility from your life?
 - Scripture tells us that as you bless others you are blessed. How have you see this truth in your life?
