About the Performer

Jeff Wood, Organist & Pianist

Jeff Wood joined the music team at Lake Grove Presbyterian Church in September 2013, where he serves as the Assistant Director of Music and Organist. Since moving to the Northwest, he has been a featured soloist and choral accompanist at various venues around the Portland area, in addition to performances with the Oregon Symphony on organ, harpsichord, and piano. He holds performance degrees from the College of the Holy Cross and Oberlin Conservatory. Jeff lives in Tigard with his wife, Jessica, and daughter, Josephine.

About Our Cause

The ***Nkandabbwe Secondary School in Sinazongwe, Zambia***, and their music teacher, Humphrey Mutunda, have been friends of Lake Grove for over 10 years. During that time, we have watched their music classes grow from a small collection of recorders into a robust program with a full marching band. We believe in the power of music to build community and change lives, so we want to help them keep growing. A free-will offering will be received after today's concert to help fund new string and woodwind instruments for the school. You can also contribute via the QR code on the back of your program. Thank you for your generous support!

Humphrey Mutunda teaching students from the Nkandabbwe Secondary School to play the trumpet, while others watch their classmates and learn.

LAKE GROVE CONCERT SERIES

UPLIFTING MUSIC IN A BEAUTIFUL SPACE

About the Lake Grove Concert Series

lakegroveconcertseries.org

Uplifting Music

From grand orchestral works with a 100-voice choir to the intricate beauty of baroque melodies on our stunning pipe organ, the Lake Grove Concert Series brings audiences unforgettable musical moments. Our programs frequently feature world-class soloists from near and far, as well as members of the Oregon Symphony. You can be assured that everything you hear at a Lake Grove concert will be uplifting and steeped in excellence.

Beautiful Space

Our concerts are held in the peaceful sanctuary of Lake Grove Presbyterian Church, a space designed to immerse you in an exceptional acoustic experience. Remodeled in 2008, the sanctuary's elegantly curved wooden walls create perfect sound resonance, bringing the music straight to your ears.

Outward Focused

One of the founding principles of our series is that we want our programs to always be FREE and open to all. When we do occasionally 'pass the plate', it is to support Lake Grove Presbyterian Church's mission partners both locally and around the world. Thanks to the generosity of past audience members, we have raised over \$140,000 for these causes. Thank you!

Special Thanks
