- Continue to remember our church staff as we work through the recent cyber attack not only disrupting our computer systems but has diminished our capabilities to communicate.

SCRIPTURE

NEHEMIAH 3:1-5, 28-32

Eliashib the high priest and his fellow priests went to work and rebuilt the Sheep Gate. They dedicated it and set its doors in place, building as far as the Tower of the Hundred, which they dedicated, and as far as the Tower of Hananel. 2 The men of Jericho built the adjoining section, and Zakkur son of Imri built next to them. 3 The Fish Gate was rebuilt by the sons of Hassenaah. They laid its beams and put its doors and bolts and bars in place. 4 Meremoth son of Uriah, the son of Hakkoz, repaired the next section. Next to him Meshullam son of Berekiah, the son of Meshezabel, made repairs, and next to him Zadok son of Baana also made repairs. 5 The next section was repaired by the men of Tekoa, but their nobles would not put their shoulders to the work under their supervisors. 28 Above the Horse Gate, the priests made repairs, each in front of his own house. 29 Next to them, Zadok son of Immer made repairs opposite his house. Next to him, Shemaiah son of Shekaniah, the guard at the East Gate, made repairs. 30 Next to him, Hananiah son of Shelemiah, and Hanun, the sixth son of Zalaph, repaired another section. Next to them, Meshullam son of Berekiah made repairs opposite his living quarters. 31 Next to him, Malkijah, one of the goldsmiths, made repairs as far as the house of the temple servants and the merchants, opposite the Inspection Gate, and as far as the room above the corner; 32 and between the room above the corner and the Sheep Gate the goldsmiths and merchants made repairs.
