NOTES:

Live With Brokenness and Vulnerability.

In emotionally healthy churches, people live and lead out of brokenness and vulnerability. They understand that leadership in the kingdom of God is from the bottom up, not a grasping, controlling, or lording over others. It is leading out of failure and pain, questions and struggles—a serving that lets go. It is a noticeably different way of life from what is commonly modeled in the world and, unfortunately, in many churches.

SCRIPTURE

PHILIPPIANS 1:12-18

12 Now I want you to know, brothers and sisters, that what has happened to me has actually served to advance the gospel. 13 As a result, it has become clear throughout the whole palace guard and to everyone else that I am in chains for Christ. 14 And because of my chains, most of the brothers and sisters have become confident in the Lord and dare all the more to proclaim the gospel without fear.

15 It is true that some preach Christ out of envy and rivalry, but others out of goodwill. 16 The latter do so out of love, knowing that I am put here for the defense of the gospel. 17 The former preach Christ out of selfish ambition, not sincerely, supposing that they can stir up trouble for me while I am in chains. 18 But what does it matter? The important thing is that in every way, whether from false motives or true, Christ is preached. And because of this I rejoice. Yes, and I will continue to rejoice,
