

La Sagrada Familia Donations Needed

Medical Mission 2026 | Collections from September 19 - October 18

St. Charles members are preparing to join Holy Apostles Parish in New Berlin for a joint Medical Mission Trip to the Dominican Republic in November. This year will be extra special as it will be our first medical mission trip for St. Charles and our first time utilizing the brand-new Medical Clinic building on the parish grounds that we at St. Charles helped to build through our prior Lenten donations.

St. Charles is responsible for the over-the-counter medicines and vitamins for this trip. Holy Apostles will be responsible for toiletry bags. Both parishes are also asked to bring some items for the children.
